

# Governor Seeks Action On New Anti-Riot Bill

By VINCENT THOMAS  
**Assemblyman, 68th District**  
 One step forward, two steps back. That's the way our special session seems to be moving. No sooner do our major roadblocks show signs of crumbling, thus permitting us to get out of the Capitol before too long, than a new, controversial item is added to our agenda which spokesmen for both parties agree will certainly stretch our record-breaking session still further.

The new topic is still another on the list of legislative proposals whose introduction has been prompted by the Watts riots of last year, and the recurring incidents in that area since then. The proposed new law would be intended to enable local police agencies to crack down on subversive and malcontent groups which attempt to incite racial strife. The new item was added at the specific request of the Mayor of Los Angeles.

## County Dog Licenses Due Friday

Dog license fees for fiscal 1966-67 will become due Friday for all dogs four months of age or older. Applications for renewals and new licenses may be obtained at all sheriff stations, health centers, and county fire stations. County license fees are applicable in all unincorporated areas and in the cities of Lawndale, Lomita, Rolling Hills, and Rolling Hills Estates.

Licenses may be purchased at the County Pound, 11258 S. Garfield Ave., Downey, or at Animal Shelter No. 3, 216 W. Victoria St., Gardena, from 8 a.m. until 5 p.m. Monday through Saturday.

Valid rabies certificates must be presented with the application for a license. The license fee is \$4.

Mail requests should be sent to the Los Angeles County Pound Department, 11258 S. Garfield Ave., Downey.

In addition, licenses will be available each Saturday from July 9 to July 30 at the following locations: Lawndale City Hall, 16706 Hawthorne Blvd.; Lennox Sheriff's Station, 4331 Lennox Blvd., and Lomita City Hall, 25332 Narbonne Ave. Hours are 8 a.m. until 4:30 p.m.

## Youth Band To Perform At Pageant

The Los Caballeros Youth Band will be featured in the pageant segment of the 15th annual Shrine North-South All-Star Football Game and Pageant July 28.

The band will parade in pre-game ceremonies at the Los Angeles Memorial Coliseum. Doris Tanner of Torrance is director of the Los Caballeros Band.

Tickets for the game are available at \$5, \$3, and \$1.50 per person from members of the 65 Shrine Clubs affiliated with the Al Malaikah Temple. All seats are reserved. Proceeds from the pageant and game go to the Los Angeles Unit, Shriners Hospitals for Crippled Children.

## Plans Win Okay

The Dolores Development Company, 816 Schley, Wilmington, has obtained approval by the Regional Planning Commission for a subdivision located north of Crest Road and west of Palos Verdes Drive East in the Palos Verdes district, where two single family-lots will go up on a one acre parcel.

AN ASSEMBLY Democratic leader wearily predicted that the issue would prolong our deliberations by two or three weeks, and said, "It looks like a long, hot summer." The Republican leader of that house termed the addition a "crass political move" designed to attract additional votes in the general election. He noted that a Republican Assembly-

man had introduced a bill for the same purpose on June 1, but at that time the Governor had refused to put the matter on the agenda, thus preventing any action on the bill. In the meantime, however, both houses were making progress on major issues. The Senate passed its version of the 1966-67 budget bill with a bi-partisan vote of 28 to 6.

The version reduces the total requested by the administration by \$30 million, but the amount approved by the Senate still exceeds \$4.6 billion. In the Assembly, the Democratic caucus was still in a huddle over Republican demands for cuts, but the chairman of the Ways and Means Committee revealed that the two parties are coming closer together, and said he was

hopeful that final agreement would not be long in coming. THE TAX accrual bill, locked up in the Assembly for weeks, was passed and sent back to the Senate by a tight vote of 41 to 31, after considerable floor debate. Since the Assembly added accrual of personal income to the measure, the Senate must concur in the change before it

can be sent to the Governor. The drunk driving control bill finally passed the Senate by a 23 to 12 vote. This measure undoubtedly had the roughest time getting to the Governor's desk that any non-budget bill has had in recent years. It encountered days of acrimonious hearings in committees of both house. It was verbally whiplashed on the floors of both houses by

prominent legislative leaders. Charge after charge of unconstitutionality was hurled at it. SUPPORTERS of the measure defended it with every resource at their command. It was many times amended to overcome objections, but its essential principle was left unchanged. That is, that every person taking out a li-

cence to drive a motor vehicle gives his implied consent to take a sobriety test if arrested for allegedly driving while drunk, and that he is subject to having his license suspended for six months if he refuses to take a test. None of us can be too happy about the prospects of further extension of this lengthy, tiring session. But there's work to be done.
